## **SB 128 - HB 452**

February 18, 2003

**SUMMARY OF BILL:** Deletes the provision that specifies that the eligibility requirements for obtaining a handgun carry permit in another state be substantially similar to those in Tennessee for such permit to be valid in Tennessee.

### **ESTIMATED FISCAL IMPACT:**

**Decrease State Expenditures - Not Significant**  
**Decrease State Revenues - Not Significant**

Estimate assumes:

- under provisions of bill more out-of-state handgun permits will be recognized as valid in Tennessee.
- a decrease in expenditures as fewer individuals from out-of-state will be required to obtain a Tennessee handgun permit resulting in decreased costs for fingerprinting permit applicants.
- a decrease in revenues from a decrease in permit fees collected.
- these decreases are estimated to be not significant as the number of out-of-state individuals currently seeking handgun carry permits is small.
